FORWARD

The halls of CHS . . .

What do they hold for us, its seniors?

At one time they were lonely enigmas; now they are solutions. Once they were social isles; now they lead to a world of opportunity, knowledge, and success.

These halls . . .

They hold memories for us, memories of our lives at Clinton High School whose realities will affect our lives now that we leave it.

In the following pages are revealed the secrets that we found in these halls and the hopes that we formed as they were whispered. The realism of these confidences are portrayed as they echo in our minds and hearts, already precious memories.

IN MEMORIAM

KAROLYN J. KONAN

In one sense there is no death. The life of a soul on earth lasts beyond her departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things she touched, worked with, loved as familiar friends. She lives on in your life and in the lives of all others that knew her.

DEDICATION

As we leave the halls and homerooms of CHS, we will always remember our years here with nostalgia. Mr. Lockhart, you have helped us along the road and now we are graduating. We sincerely thank you for your guidance and understanding, for your time and efforts and your deep interest in the Class of 1970. From the bottom of our hearts we thank you.

So many times we needed the extra lift to help us through a trying time. Because he was always there with a word of wisdom, a moment of counsel and advice, and a bit of humor, we, the Class of 1970, would like to give a special thank you to Mr. William J. Walsh.

Memories . . . pressed between the pages of my mind . . .

The
door
of
know-
ledge
was
unlocked
for
us . . .

. . . Perpetual knowledge
. . . we learned of its limits . . .
there were none . . .

We learned
from those
who knew . . .

We learned to win at life . . . honestly
. . . but also to lose . . . proudly . . .

... to work diligently
toward our goals ...

... A time to remember ... when CHS was our
own ... a small world where life was fresh,
challenging, meaningful ... offering us not only a
place of development—but a will ... and a way

...
We learned to progress our lives on principles ...
we learned of a time to teach ... and a time to
learn ... of a time to work ... and a time to play
... of a time to succeed ... and a time to fail ...
... a time to remember ... life at CHS ... for life
is incomplete without memories ...

... to rest

When Time, who steals our days
Shall steal our pleasures, too
The mem'ry of the past will stay,
And half our joys renew.

Thomas Moore

... people
and
places ...

People ... our friends, counselors, ... they lead us to better things, offer us valuable experience ... our relations with them will endure beyond memory—perhaps in spirit!

Places ... our beloved building ... settings for our life at CHS ... settings for our memories.

People and Places ... they mold our lives at present ... they promise us a future ... someday they will echo our past ...

Mike Lebowitz was a part of our Student Exchange group which visited with Lowell High School in '70. The other members were Danny Griswold, Jon Breed, Ed Wiles, Mary Sheridan, Nikki Zangles, Kate Gaughan and Maryanne Salmon.

The Thanksgiving Day Show Chorus

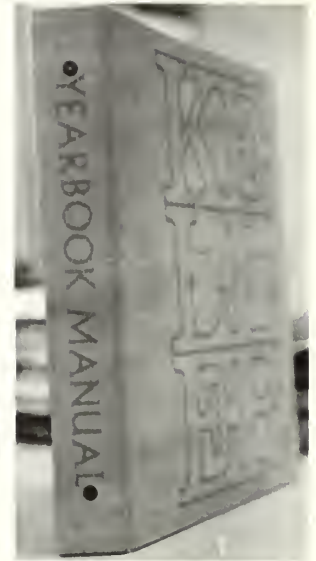

The talented Clinton Mass Brass . . . they provided us with hours of entertainment.

Our Student Council . . . the political scene at CHS.

The Yearbook Staff, whose time and efforts have made the book a success . . . we would also like to thank those members of the Class of 1970 who helped to finance the book by soliciting ads.

Jean . . . our Yearbook's editor . . . we relied on her talent, council and leadership.

The Boys State Representatives

Activity . . . it produced an abounding spirit among the students . . . communal interests and goals were cultured in a bright new world of athletics, politics and society . . . our activity led us to acquire love and trust in each other, dedication to our school, and pride in the pulsating cycle of which we had become a part . . . we were a united, distinguished group, pursuing the purpose of CHS—knowledge and love of life . . .

... we worked for the yearbook ...

... to promote spirit ...

We united to accomplish a common goal ... friendship, cooperation and a sense of responsibility grew among us as we worked together ... more memories—and better ones were made this way.

... for the prom ...

Symbols . . . tools of the memory . . .
they stand for what we loved . . . for
love . . . for knowledge . . . we can't
forget these . . .

. . . most important we can't forget
the American ideal of peace . . . it was
a way of life that pervaded CHS.

Our Junior Prom . . . the most magical memory of all . . .

. . . we worked . . .

. . . we laughed . . .

... we cried ...

Diane Robinson; Sheila Whitney; Mona Dietel; Queen Jane Goodwin; Christine LaBrack; Peggy Mason; Lena Wheeler

... and finally our magic moment was realized ...

Our dreams in the Junior year centered around the prom ... the endless hours of planning and work were rewarding ... the splendor of our special night was anticipated, fulfilled—but never forgotten.

The pensive . . .

. . . The joy of learning . . .

. . . The studious . . .

... To absorb knowledge ...

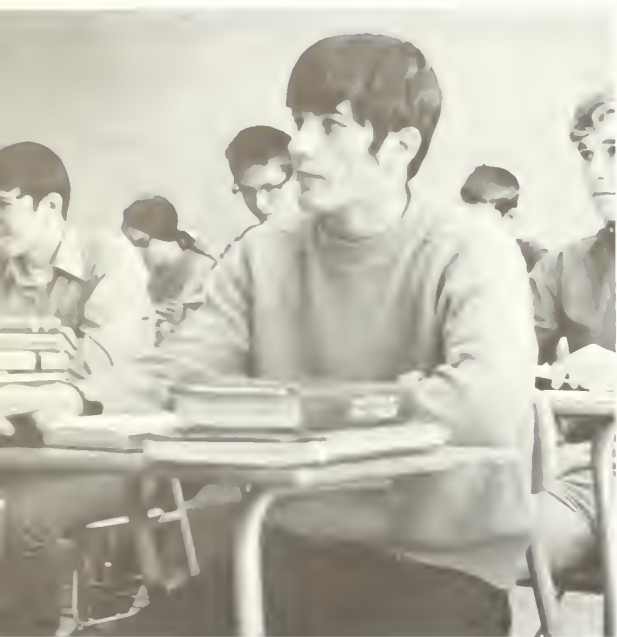

... To question the present ...

Countenances ... they tell the story of a typical day at CHS.

As the world turned around us we became a part of everything ... our different courses provided us with more than the simple facts ... our power to reason was stimulated ... we applied our knowledge to life ... we realized that today's generation faced yesterday's problems ... solutions were to be found ... tomorrow had to be planned ...

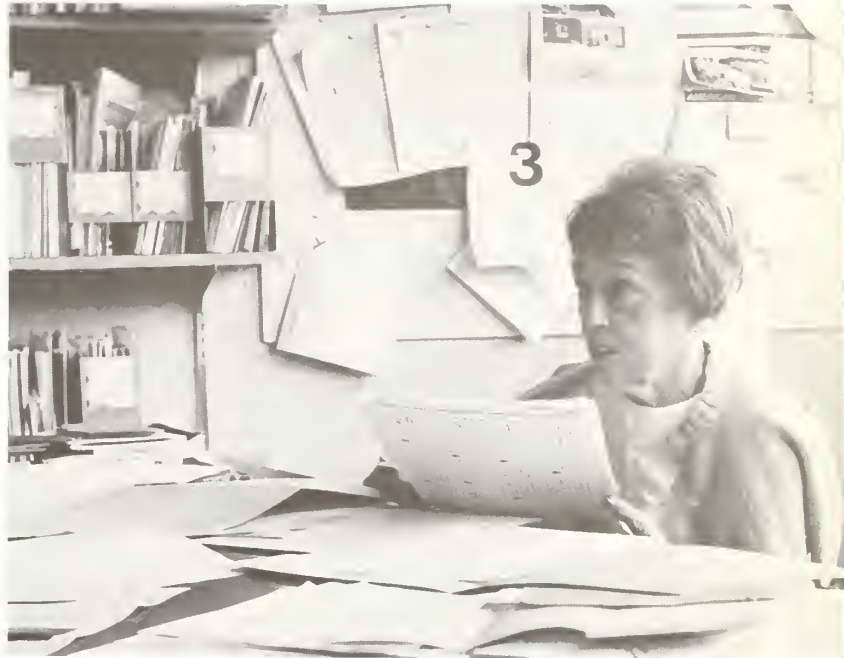

... To dream of the future ...

Acceptance and mutual confidence characterizes the relationship between those who teach and those who learn ... we cooperated ... our teachers guided our development into well rounded individuals ... they helped us understand ourselves and the world around us.

The National Honor Society ... we were honored as its members ... it recognized our scholastic achievements ... it encouraged us to uphold our duties as scholar, citizen, and human being.

Jane Goodwin was chosen to receive the Daughters of American Revolution Award. Kate Gaughan was voted as Student Government Day Representative. Both awards are praiseworthy ... both girls are truly deserving.

The Junior Marshalls ... as members of the National Honor Society we acted as usherettes for the 1969 Graduation. We caught a glimpse of the memorable exercises, the melancholy goodbyes, the tearstained faces ... next year it would be our turn to experience this unforgettable night ... it was our look into the future

The Future Nurses Club

The Computer Club

Clubs . . . led us to discover the innumerable fields of wisdom available to the high school student . . . taught us the value of organizing our lives, our work, our future . . . helped us to apply our own talents to these fields . . .

We must salute the talents displayed by the Class of 1970 . . . the senior members of the drama club have produced the best play in three consecutive years . . . we take pride in their ability, and the memory of their sparkling performances will always be fresh in our minds.

Winter ... a particularly beautiful time
at CHS ... a season of fresh ideas ...
new sensations ... a Christmas spirit ...

... REMEMBER ...

A basement slip a day?

Room 201 and seniors

New additions to the PM list ...

Pizza on Friday .

Switch back to
normal in ...

A last silhouette set against our beloved Clinton High ... the melancholy image that hints at our future but recounts our past ...

A time to begin and a time to end ... our life at CHS ... and now is our time to say goodbye ... goodbye to friends that were dear ... to friendships that bound our hearts ... to laughter and secrets, to joys and tears ... to football games ... to mighty Gaels ... to a world of green and gold ... to a spirit that shone in every smile ... to a place we called our home ... to a school that was "number 1" ... to a class that was second to none ...

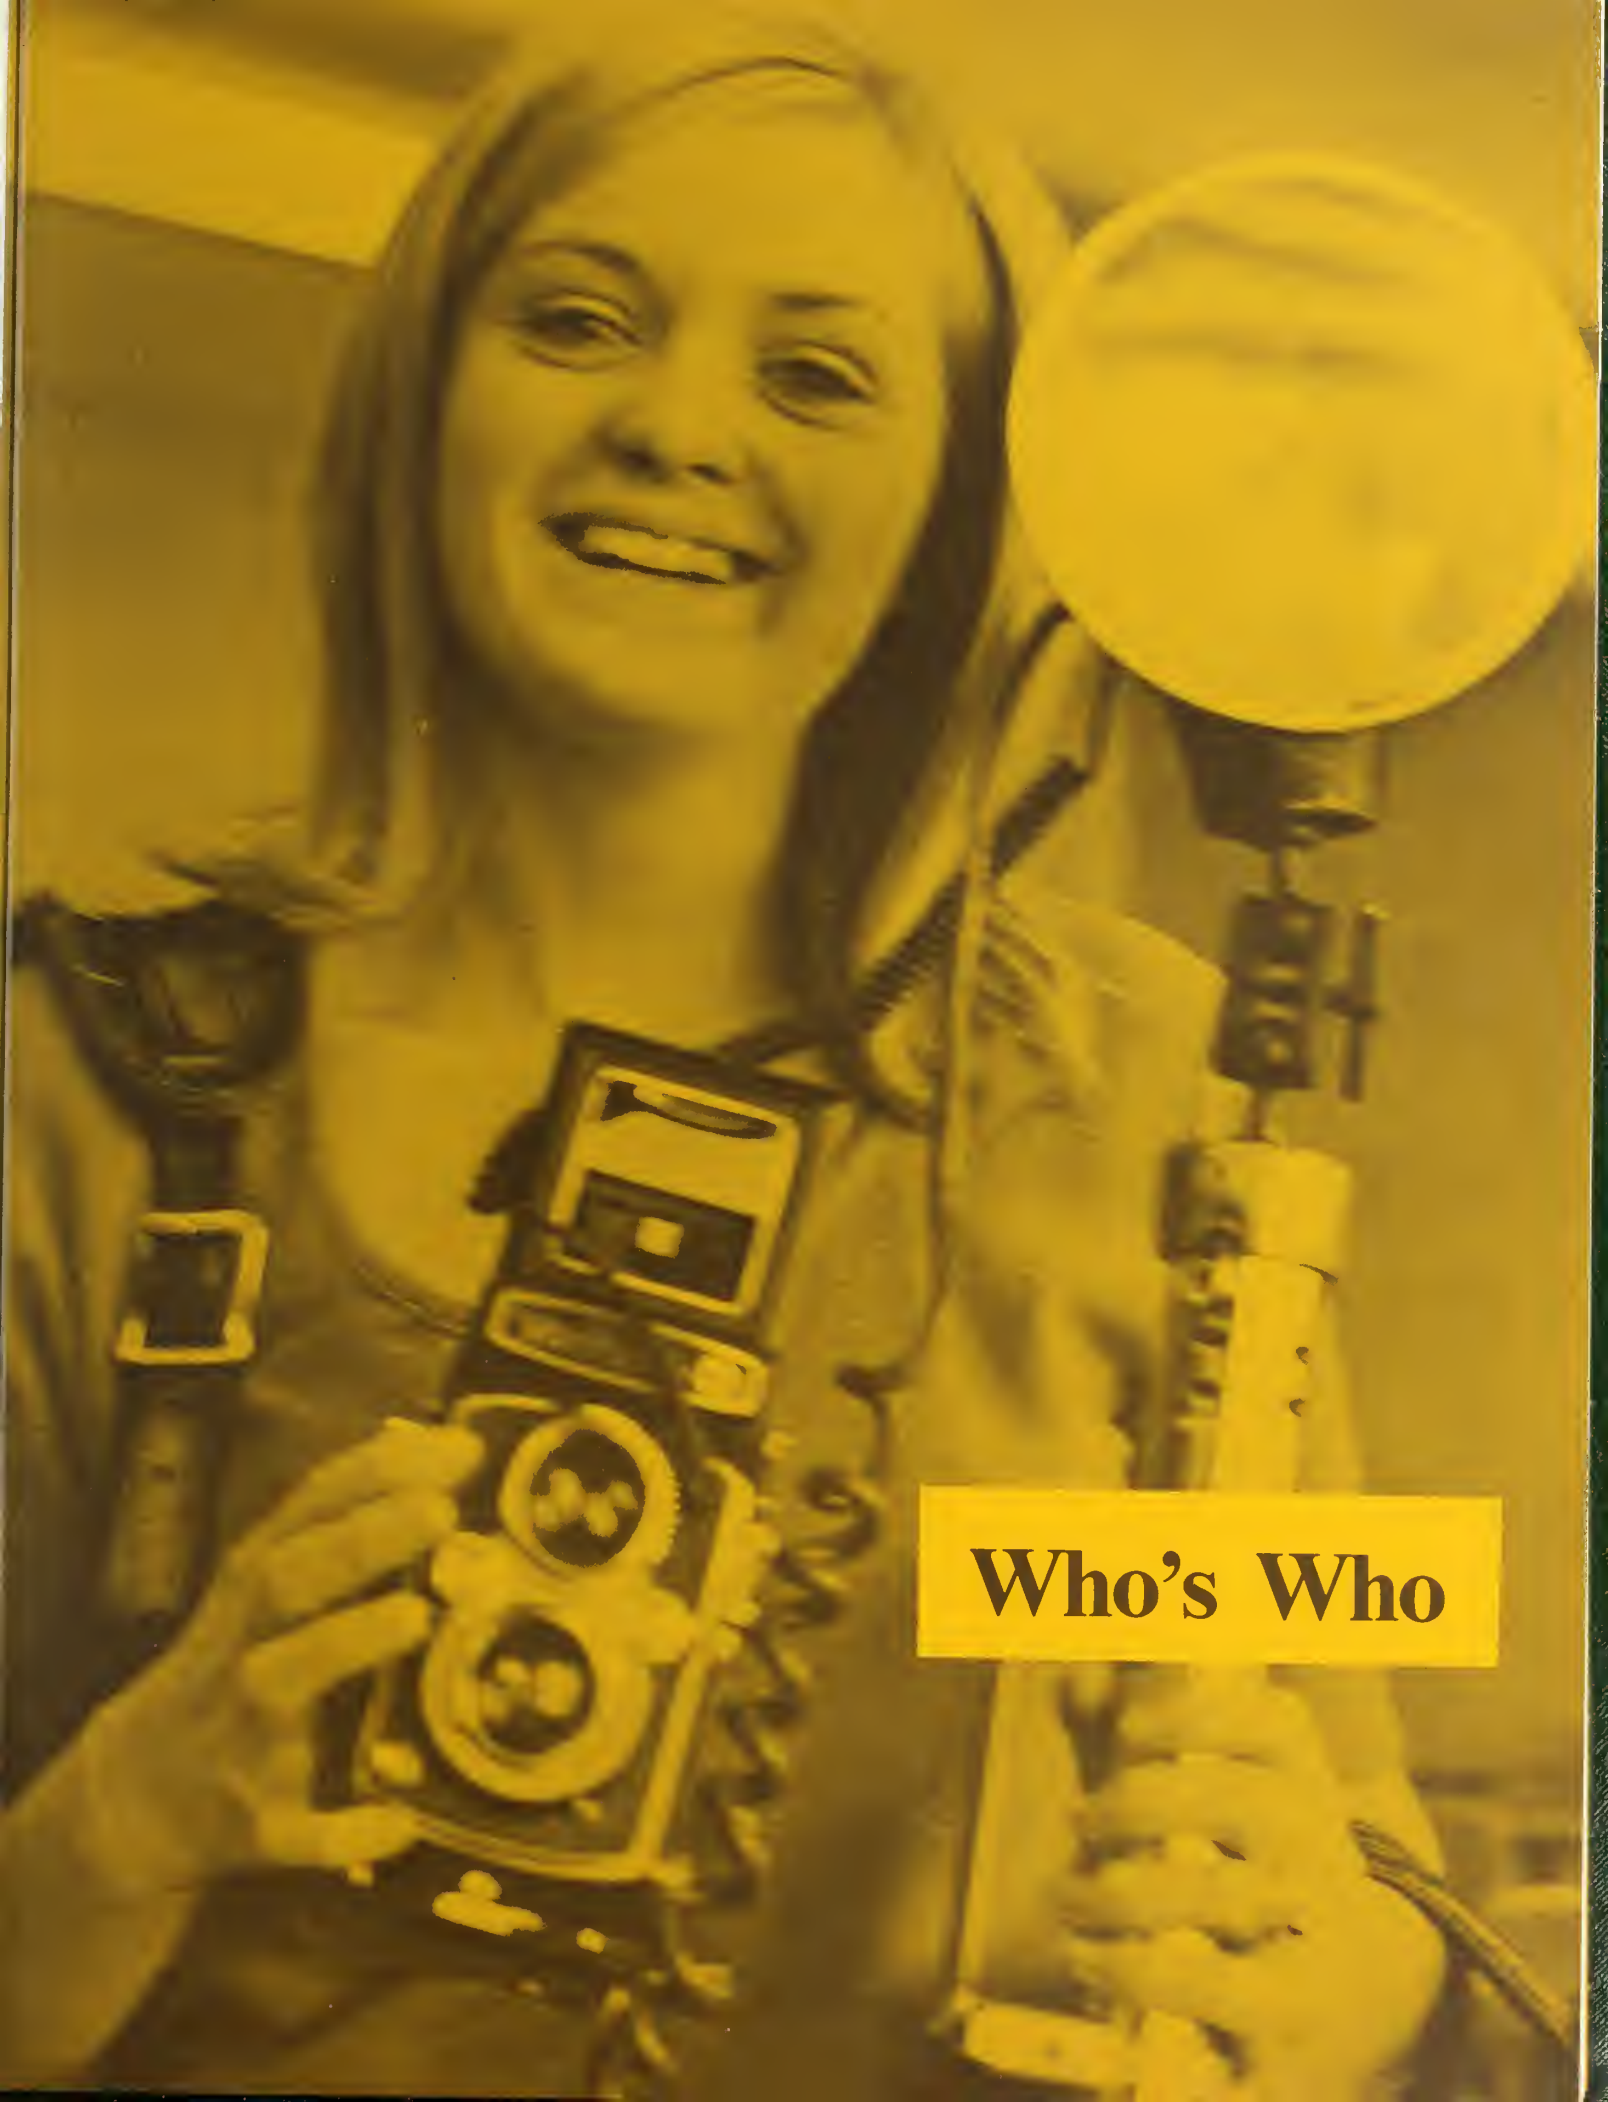

Indeed these moments are departed ... they are only shadows of the mind—but if it is true that love lives on in memory—then our life at CHS can never die ...

Farewell ...

Who's Who

The first part of the paper discusses the importance of understanding the local context in which a project is implemented. This includes a thorough analysis of the social, economic, and cultural factors that may influence the success or failure of the intervention. It is essential to engage with the community from the outset, ensuring that their voices are heard and their needs are met. This participatory approach not only fosters a sense of ownership and commitment among the community members but also allows for the identification of potential challenges and the development of strategies to address them.

The second part of the paper explores the role of leadership in driving change. Effective leaders are those who are able to inspire and motivate others, to set a clear vision, and to take decisive action. They are also skilled in building strong relationships and in fostering a culture of collaboration and innovation. Leadership is not a static role; it evolves over time and is shaped by the needs and circumstances of the community. Therefore, it is important to invest in leadership development and to provide ongoing support and training for leaders at all levels.

The third part of the paper examines the importance of monitoring and evaluation (M&E) in assessing the impact of a project. M&E is a systematic process that involves the collection, analysis, and use of data to measure the progress and outcomes of a project. It provides a means of accountability and a basis for learning and improvement. By regularly monitoring the project's progress, managers can identify areas where the project is falling short and take corrective action. Evaluation, on the other hand, provides a more comprehensive assessment of the project's overall impact and value. It allows for the comparison of the project's outcomes with the original objectives and with those of other similar projects.

The fourth part of the paper discusses the challenges of implementing a project in a complex and dynamic environment. These challenges may include limited resources, resistance to change, and a lack of political support. However, these challenges can be overcome through a combination of effective leadership, strong communication, and a commitment to transparency and accountability. It is also important to build a strong network of supporters and allies who can provide the necessary resources and support to ensure the project's success.

In conclusion, the paper emphasizes the need for a holistic and participatory approach to project implementation. This approach involves understanding the local context, investing in leadership, implementing a robust M&E system, and overcoming the challenges of a complex environment. By following these principles, project managers can increase the likelihood of achieving their goals and creating a lasting positive impact on the community.

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes. The author argues that a one-size-fits-all approach to education is not only ineffective but also disrespectful to the diverse cultures of our world.

In the second part, the author explores the challenges of conducting research in non-Western contexts. One major challenge is the lack of standardized methodologies. What works in one culture may not work in another, and researchers must be willing to adapt their methods accordingly. Another challenge is the potential for bias, either from the researcher or from the participants. The author suggests that transparency and reflexivity are key to overcoming these challenges.

The third part of the paper focuses on the role of the researcher in the research process. The author advocates for a collaborative approach, where the researcher works closely with the community to identify the research questions and methods. This approach not only leads to more relevant and useful research but also empowers the community and promotes social change. The author concludes by emphasizing the importance of ethical considerations in all research, particularly in cross-cultural studies.

SENIOR GAELS

INTRODUCTION

The Clinton High Gaels finished with a 4 and 5 season mark. Although the record was not what we had hoped it was one which was achieved against an extremely rugged schedule. The Class of 1970 would like to extend best wishes to next year's team in hopes that they will keep up the Gael tradition.

The Class of 1970 would also like to extend many thanks to Head Coach Owen Kilcoyne and his assistant coaches James Peete, Joseph Garafoli, Bernard Gaughan, Thomas O'Connor, and Athletic Director David Hazel for the great job and the hard work they did for this year's team.

CLINTON — 16
ST. PETER'S — 14

The 1969 season opened with the Gaels defeating St. Peter's for the first time in ten years. A cheering crowd of 2,500 was on hand. Early in the first quarter the Bashaw to Lugo combination clicked, and Bobby Baird rushed for the two points and the Gaels were on top 8-0.

In the second quarter a one yard plunge by Jon Breed and a rush by Gary Notaro gave the Gaels a 16-0 half time advantage.

St. Peter's tallied twice in the third and fourth quarters, but failed to score on one of their conversion attempts. On the final signal of the referee, Clinton had won 16-14.

CLINTON — 12
WACHUSETT — 21

The Wachusett Mountaineers a much larger team proved to be too powerful for the Gaels.

Clinton scored early on a one yard sneak by Larry Bashaw, the try for the points failed for a 6-0 lead.

Wachusett scored next in the second quarter on a long punt return and converted the 2 points. The Gaels came back with a Bashaw to Lugo touchdown pass, the conversion again failed. Clinton led at half time 12-8.

It was all Wachusett in the second half, however, as they scored twice and took the game.

CLINTON—6
HUDSON—18

The Gaels lost their first Midland League game of the season at Hudson's Morgan Bowl 18-6.

The Hawks scored early on a pass interception and lead 6-0. In the second quarter, Gary Notaro tallied from 9 yards out, the point failed and it was 6-6. Hudson came back and scored later in the quarter and led 12-6 at half time.

The only scoring in the second half came on an interception which put the ball on the Clinton two yard line. A line smash was good and Hudson won 18-6.

CLINTON—8
SHREWSBURY—15

A new opponent on the Clinton schedule the highly regarded Colonials were hard pressed to defeat the Gaels.

Following a scoreless first period Shrewsbury tallied on a short plunge despite good defensive efforts by Clinton. A conversion made it 7-0 at halftime.

The Gaels came back strong in the second half and scored on a sneak by Bashaw. Notaro caught Bashaw's pass for the two points and Clinton led 8-7.

The fourth quarter proved to be a heart break for Clinton as Shrewsbury again scored and made the conversion to give them a 15-8 victory.

CLINTON 22
ST. BERNARD'S 6

The Gaels snapped their three game losing streak by romping past St. Bernard's High on Fuller Field.

The only first half scoring came on a 14 yard Bashaw to Lugo pass. The conversion failed and Clinton lead 6-0 at half-time.

Clinton scored again in both the third and fourth quarters on short line smashes by Gary Notaro and Jon Breed. A Bashaw to Notaro pass clicked for one conversion. The Bernardian's only touch-down came on a long pass in the fourth quarter when the game was out of reach.

CLINTON—8
MILFORD—6

The Clinton Gaels took their second game in a row by downing the Milford Scarlets in a defensive battle on Fuller Field. All scoring came in the first half of play. Gary Notaro did all the Gaels scoring, by plunging over from a yard out, and then catching a Bashaw pass for the two points. Milford countered in the second quarter by intercepting a Clinton aerial and running it back for the touch-down. Their point try, however, failed and Clinton won its first Midland League game, 8-6.

CLINTON—21
MARLBORO—14

Clinton took their second Midland game in a row by dropping the Marlboro Panthers. The Gaels struck quickly as Bobby Baird took the opening kick-off and galloped 86 yards for the score. Bashaw's boot made it 7-0. Marlboro came back in the second quarter scoring on a short pass but the extra points failed and Clinton led 7-6 at half time.

The Gaels came back strong in the second half scoring on a Gary Notaro line smash and a Larry Bashaw to Ed Wiles pass. Bashaw also completed a conversion pass to end Clinton's scoring. Marlboro's last minute touchdown could not stop a Gael victory.

CLINTON—8
ALGONQUIN—24

Clinton's winning streak ended this week with a loss to the Midland League Champions, Algonquin. The first half proved to be Clinton's best, doing all their scoring on a one yard smash by Gary Notaro. Notaro then caught a pass for the two points. Algonquins scored late in the second period and Clinton led 8-6 at half time.

Algonquin, however, came back in the second half to diminish all Gael hopes by scoring two touchdowns and a safety. The final score stood at 24-8.

MAYNARD—29

CLINTON—24

This year's final game renewed on old tradition in the Maynard-Clinton Thanksgiving Day Game. Clinton opened the scoring in the first period on a one yard plunge by Jon Breed. Larry Bashaw booted the PAT for a 7-0 lead. Maynard came right back in the same quarter to even it at 7-7. The plunge by Breed and a conversion by Bashaw made it 14-7. Clinton's scoring in this half ended when Rich Hoag caught the Maynard quarterback in his own end Zone for a safety, which gave us a 16-7 lead.

Maynard came storming back in the second half with three touchdowns. One of these came on a blocked punt which they ran back for the score. The Gael's could not be put down as they drove for another score in the fourth quarter with Breed again plunging over from the one. Marty McNamara passed to Ed Wiles for the two points to cut the lead to 29-24. An outside kick was tried in vain as time ran out for Clinton.

A great honor given to our football team was the selection of three of our members to the Midland League All-Stars. Chosen were seniors John Lavelle, T: Vic Lugo, E.; and Gary Notaro, H.B.

CROSS COUNTRY

Co-Captain, Walter Burgwinkel

Mike Lebowitz

The Cross Country squad came out on the winning side and placed third in the Midland League. It was a group effort with both seniors and underclassmen, and the effort paid off. Not only did the Harriers have their best season in the schools history, but they won many meets in record breaking time. We hope that this winning spirit will carry over to next year's team and we want to thank Coach Donald Burgwinkle for all his time and training.

MIDLAND LEAGUE CO-CHAMPS

The 1970 Clinton High Basketball Team compiled the best record in the history of the school. Their 16 and 1 record was good enough to share the Midland League Championship with Shrewsbury and enter two post season tournaments. A great following by the student body, tremendous team spirit and good coaching were the main reasons for this year's success. The boys were fortunate to play in front of capacity crowds at all home games and most away games, which was an asset to the members of the team. The team's spirit was very high, starting with the first practice and ending with the last game in the tournament. Finally the most important reason for the team's success was the coaching of Head Coach Thomas O'Connor and Assistant Coach Bernard Gaughan. These two men inspired the boys with the winning attitude which carried into the season and both tournaments as well.

The CHS twirlers, instructed by Mrs. Judith Innamorati, were inseparable with the football season. Wherever they went the twirlers proudly represented Clinton with a fresh new talent. Their original spirited routines always caught the attention of every half time audience. The Gael fans always thought they were the best—but they had to be—they were from CHS.

A big green sweater, a big gold letter, and a victory at Fuller Field—these were ideals for the CHS Cheerleaders ... spirited of mind and heart they inspired the vivacious fans ... proud, loyal and encouraging, they followed the Gaels wherever they went, saluting their success and cherishing its memory.

Football games, parades, concerts . . . our great CHS band proved that their outstanding musical talent could not be equaled. Under the direction of Mr. Karl McDannel they brought alive the sounds of yesterday and today—they were in a class by themselves.

A yellow-tinted photograph showing two people, a man and a woman, looking down at a document. The man is on the right, wearing a light-colored shirt, and the woman is on the left, wearing a dark top. They are both focused on the paper in front of them. The image has a warm, monochromatic yellow color scheme.

A FRIEND

AND WE ONLY PART TO MEET AGAIN . . .

Tonight we're summoned,
So to whisper last goodbyes,
And to love and honor dear old Clinton High School.
As I live tomorrow, truth will guide me,
Faith and love in the past will guide me,
And reconcile my life with the future.

Now we're all here together,
—Just a moment—to remember,
All the days of dreams and Gaels and Green and Gold.

And as days turn into years,
I'll be the student who
And I'll be the youth who
and I'll be the man
I'll be filled with the spirit that once possessed me,
I'll pack my bags and start to leave,
But stop, in a daze of precious memory.

Yes the years drift by in lonely sorrow,
Hopes in the past become tomorrows,
And memories are cherished more and more.

The old hometown hasn't changed,
As my thoughts are still the same,
As they wander back to dear old Clinton High School,
Through the halls I walked,
While memory led me,
Feeling sad, but still with you,
The pride and joy I lived with in the past.

Soon we'll all be together,
—Just a moment—to remember,
All the love and trust
That we shared in the past.
